Disponibile anche nella finitura noce gold si abbina con la struttura delle basi bicolore con frontali in corda. Il gioco di cromie si completa con la proposta total black del lavabo NICE in appoggio con piletta coordinata.

The very thick box top can be used to rest on the suspended bases. Also available in the noce gold finish, it matches the structure of the two-tone bases with rope fronts. The play of colors is completed with the total black proposal of the NICE washbasin with coordinated waste.
